CYNTHIA ROMERO HAS GOT IT GOING ON

Dear *Voluptuous*,

Talk about starting the new year off with a bang. Your Jan. '06 *Voluptuous* was loaded. Thanks for putting Nicole Peters, Kerry Marie, Autumn and Casey Cleavage in the same issue. I almost thought it was the annual May awards issue, especially when I saw

your latest discovery, Cynthia Romero.

That girl has got it going on. Her body is so curvy, and her face is so cute, she is already a major contender for the 2006 Newcomer of the Year award. I only wish her boobs were in the Kerry Marie and Nicole Peters class. Then, Cynthia would be off the charts.

Oh well, a guy can't have everything, although with this Jan. '06 *Voluptuous*, it seems like I do. Thank you for a great issue.—D.L., New York

MORE ASS SHOTS!

Dear *Voluptuous*,

I wanted to say that the Jan. '06 *Voluptuous* was interesting if you are only into tits.

I know that Nicole Peters has great tits, but where are the ass shots? Latina newcummer Cynthia Romero was nice looking, and Kerry Marie was as beautiful as ever with a great figure indeed, yet where are the great ass shots?

The Jan. '06 *Voluptuous* "Page 13"-girl with the awesome ass is...Julia Bond, an up-and-cumming porn starlet with a great future and an even hotter ass, which was on display in the premiere issue of *BootyLicious* (available in the back issue department on page eight)...wide-eyed and wide-open.

In an issue loaded with super-natural living legends like Nicole Peters, Kerry Marie and Autumn, Paraguayan newcomer Cynthia Romero stole the show with her curvaceous body, pretty face and bigger-than-big breasts. Watch for plenty more of Cynthia in 2006 and hopefully beyond.

The ass shot of the month Desirae was a joke, Leah Jayne has great potential to be a regular model and newcummer Florri was very impressive. Why? Because pages 60 and 61 were way cool, and page 63 was fantastic.

The only thing that kept the issue together and tight was that *BootyLicious* girl on page 13. Now that was a very beautiful lady in a great pose, and she seems so relaxed in that shot. It was so sexy, it made me forget all my problems and the things I currently lacked, which is what reading mags like yours is all about, isn't it? Once I saw that ass picture, the world all of a sudden became a truly wonderful place.

Who in the hell is she? Her ass reminds me so much of Kellie Garnett and even Cherry Brady, who has set the standard of a *Voluptuous* ass. This new girl from *BootyLicious* blew my mind.

You guys need to remember that focusing on the milkshake makes one lose sight of the whole meal because the best thing about the burger is the bun. Since you base things on tits, you

miss the message, and *Voluptuous* needs to focus a little more on booty.

Peace and keep improving.—S.G., e-mail address withheld

Dear S.G.: Thank you for your letter. Your Page 13-girl is Julia Bond (left), who was in the premiere issue of *BootyLicious* (available in the back issue department on page eight). As for your ass-comments, we thought we were doing a pretty decent job. True, *Voluptuous* is about big, all-natural boobs. However, we have long recognized that readers enjoy seeing the entire woman, and we go to great lengths to present hot ass shots of each model featured, to the point where readers complain that we show too many ass shots. Between their letters and your's, we strive to find a middle ground that will satisfy each reader's desires.

VOLUPTUOUS READER ART

Dear *Voluptuous*,

After reading the Nov. '05 *Voluptuous*, I noticed that one of your readers (W.E.H.) submitted a drawing of his favorite model, Cocoa, which I thought was pretty good.

In my spare time, when I'm not doing things that are involved with the military, I like to draw and paint, and that same day a homie of mine had the same issue and was telling me that I should send some of my drawings to you guys at *Voluptuous*.

From previous issues of *Voluptuous* that I own, I have drawn a few models like Cassitty, Devin Taylor, Kerry Marie and Sharday. But, this particular painting that I've done is of Via Paxton when she did her final photo layout in the

From Southern California *Voluptuous* reader J.M., here is his original artwork depicting the legendary Via Paxton from her farewell Feb. '05 *Voluptuous* pictorial. Any other budding artists have some busty creations they'd like to share? Send them to the V-Mail.

Feb. '05 *Voluptuous*. I did this painting last summer, and when my homie saw the painting he was like, "Yo, man, send that in!"

When I did this painting, I put my own little twist to it. Since her photo shoot was a workout theme, I decided to put her in workout gear instead of having her totally naked like she was in throughout most of her pictorial.

Make no mistake about it, Via looks "tight" when she's nude, but at the same time, I wanna show her some respect. Since I workout regularly, I think women look really good in workout gear. Then again, what man doesn't think so? Anyways, I just figured you

guys at *Voluptuous* would like this to have in the magazine.

I hope you enjoy it, and I hope Ms. Paxton sees it and likes it because there will never be another model like her.—J.M., California

Dear J.M.: Thanks for your art. And Via thanks you, too We scanned it and e-mailed it to her. She was thrilled and is also looking forward to seeing it in *Voluptuous* and reading your letter in her regular, subscription copy. Yes, Via is a subscriber, so she never misses an issue.

"I ALMOST THREW UP"

Dear *Voluptuous*,

I just received my Jan. '06 *Voluptuous*, and I had to immediately e-mail you to say that I almost threw up when I read F.H.'s comments in the V-Mail about Evzenie. She was perfect as always in her Oct. '05 pictorial, and in my opinion, Evzenie defines both *Voluptuous* and plumper and most definitely the beautiful pagan sex goddess we all like to refer to. I would be even more angry at the idea that Evzenie reads what this asshole thinks and would be hurt in any way by his more-than-harsh words. I will vote for her as plumper of the year again!

On a softer, more appreciative note, not only was I giddy at the fact Nicole Peters (one of my favorites) graced the cover of Jan. '06, but her newest pictures are amazing. Nicole has never looked better! She is indeed "The Great One," as you have so appropriately called her. God, when she's holding her breasts to her mouth with those deliciously wrinkled areolae, it's enough to drive a man over the edge. Great work. Keep all the gorgeous, all-natural gals coming!—I.V., e-mail address withheld

Dear I.V.: As much as we appreciate your comments and the fact that one of our reader's letters touched a nerve, go easy with the "asshole" comments. We have always considered the V-Mail an "open forum," where readers can express their opinions—good, bad and controversial. As much as you disagree with F.H., his opinion is as valid as your's, I.V., and should be afforded the same degree of respect as you would expect to receive from fellow readers.

YOU GOTTA LOVE THE BAD GIRLS LIKE AUTUMN

Dear *Voluptuous*,

Thanks for a great issue (Jan. '06) and especially that kinky layout of Autumn. Where on Earth did that come from—the attitude, not the pictures?

I've always enjoyed Autumn as a sweet, Southern girl. Even when she is sucking and fucking, she looks so nice. Then, to see her all bitched up with that riding crop and those nipple clamps and that "I'll eat you up!" look in her eyes, that totally blew my mind—in a good way, believe you me!

I'm not saying do every pictorial like this, but please, do a few more and sprinkle them in during the rest of the year. I'm a long-time reader, and that

As we told ya'll in her Jan. '06 pictorial, this "bitch-in-heat" and clamps pictorial was all Autumn's idea. Yes, she's a good girl, but as Autumn told us, she also has a bit of a wild side. Is there a better place to live out your fantasies than *Voluptuous*? No need to answer.

THE JAN. '06 HARDCORE SPECIAL "BOMBED"!

Dear *Voluptuous*,

You guys really know how to get a guy to jerk off, don't you? First, the Jan. '06 smokes with all of those incredible superstars. You know who I'm talking about, so I won't get into each one, but can I just say...Nicole Peters, Kerry Marie, Casey Cleavage, Nikki Perez, Autumn...all in one issue. For a moment there I thought this was the last *Voluptuous* ever and you guys were blowing your wad. Not so, thank God.

What really got me to writing was the XXX bonus mag you included. I'm one of those guys who sent in his survey and marked the second box regarding hardcore-only if the girls are good. In this bonus mag, they weren't just good, they were the bomb!

Seeing all of that awesome anal sex with Orsolya and Iva (that is one girl who really likes it in her ass!), I can't tell you how many times I got off. But the one scene I keep going back to is Harmony, the girl in the center. She is so pretty, and she looks like she is a great fuck. I mean, a *really* great fuck! I've already ordered her video, *SCORE Xtra #10*. I can't wait to see her fuck suck. Tell me she's as hot as she looks and please do more XXX hardcore like that bonus mag.-J.S., Nevada

Dear J.S.: The response has been strongly in favor of the bonus XXX magazine, so chances are equally strong we'll do it again. As for Harmony Sweet, oh man, are you in for a fucking treat! Not only does she know how to work a cock, but the girl is a screamer and a squealer. Watching (and listening) to her cum on *SCORE Xtra #10* is, well, all we can say is...we came...and still do! ☺

MARIA VERBECK

The newest Great Dane has a *really great rack!*

Yeah, we know it's winter just about everywhere north of the equator, so we figured we'd bring you all some sunshine. Maria Verbeck is this plumper's name, she's brand-spankin' new, has an F-cup rack, a double-wide caboose and is so liberated she'll pose nude on the beach and get off on all the attention. Were guys watching and gawking? Oh yeah. And loving every inch of the latest Great Dane with the world-class tits.

If Maria looks like she would get carded at most any bar in America, that's 'cause she would, and she'd need a fake ID to get in. Still only 20 years young, Maria is just one of those kids who waits tables in a cafe, goes to college (and scores in the 90th percentile), but mostly Maria is enjoying the pleasure of youth. You guys remember what that was like, eh? Lots of partying. Plenty of experimentation. Trying to get laid as much as possible with as many different people as possible. That's Maria's life, and more power to her.

So, Maria, how many guys were watching you pose?
"About a hundred! They were all over the place, although it's not like you think. In Europe, people always sunbathe nude. It's really no big deal. The only thing that made it exciting for the guys was the camera...and my big tits! People were cheering and 'ooohing' and 'aahhing.' It got me so excited. I have to tell you, all the guys holding their dicks really got me going." Well, if that got you off, Maria, than trust us, you're really going to love all of our readers!

#1 Sex Act: "Giving a guy the best blow job he's ever had!"

Sur-Real

His wife had been deceased for years, or so he thought.

Erotic Fiction By Michael Bracken

I awoke to find my ex-wife standing at the foot of my bed wearing a diaphanous, white negligee held closed by a pink ribbon. Her breasts were as full and firm as the day we'd first met, her erect nipples surrounded by tightly constricted areolae the size of silver dollars, and the pale blond tatch at the juncture of her thighs was barely a shadow behind the cloth. I felt myself stir beneath the sheet.

"I've missed you," she said.

We'd been divorced for 10 years, and she'd been presumed dead for the past six.

I closed and rubbed my eyes. I'd been eating spicy Mexican food and drinking Margaritas at the Seaside Bar and Grill earlier that evening, and I suspected that my ex-wife was some surreal pink elephant—something conjured from the dark recesses of my mind by liberal amounts of cheap tequila and even more longing.

Maggie was still there when I opened my eyes.

"I've been lonely without you." She unfastened the pink ribbon and her negligee fell open. She shook it off of her shoulders, and it fell to the floor, silently pooling at her feet. "What happened with us?"

What had happened is that I had pushed her away. I had been too wrapped up in myself to notice that our marriage was disintegrating. She left me for a workaholic financial planner who lost most of his hair six months after their marriage when his discount hair plugs contracted a rare follicle disease and whose firm closed nine months later after an IRS audit uncovered accounting irregularities.

Maggie stepped around the end of the bed, and I closed my eyes again. When I felt the mattress shift, I opened my eyes and found her sitting on the bed beside me. Her hand slipped under the sheet, and I felt her fingers glide up the inside of my thigh. By then, my cock had turned into a mast and the sheets into a sail.

I was reluctant to admit it, but I had missed her, too. None of the women I'd been with since our divorce had been worth the price of even an early-bird dinner, and as my scuba business continued to deteriorate, the dinners—like the women—had become cheaper and cheaper.

Maggie cupped my heavy ball sac in the palm of her hand and kneaded my nuts together. Then she stroked the sensitive spot behind my balls with the tip of her finger. Even though it shouldn't have been possible, my cock grew even stiffer.

She flipped the bedcovers aside, revealing my rigid rod in all its tumescent glory. Then she bent forward and

took my cockhead into her mouth, hooking her teeth behind the mushroom cap and licking away the glistening drop of pre-cum, just the way she'd always done it.

Still holding my balls in the cup of her palm, Maggie wrapped her thumb and forefinger around the base of my cock, and then she slowly took my entire length into her mouth. As soon as I felt her breath tickle my pubic hair, she pulled back until only my cockhead remained in her oral cavity.

And then she did it again.

And again.

I couldn't hold back any longer, but she anticipated me and squeezed the shaft of my cock so tightly that my cock throbbed, but I didn't ejaculate.

She pulled her face away from my cock and stared deep into my eyes, something she had done the first time we'd made love in her college dorm room many years earlier.

When my cock finally stopped throbbing, Maggie released her grip on it. Then, she straddled me, adjust-

ing her position until the head of my cock pressed against the swollen lips of her pussy.

She dropped her entire weight onto my lap, and my cock slid deep inside her slick pussy. She bent forward, and her full breasts dropped into my face. I grabbed one with each hand and took her nipples into my mouth, suckling on each one in turn.

As I feasted on Maggie's massive mounds, she began riding my hard cock, lifting her curvy hips and then lowering them, slowly at first and then faster and faster. I thrust my hips upward to meet each of her downward thrusts.

We fucked hard, and we fucked fast, and we came the same way.

She screamed out my name and collapsed on top of me just as I fired a thick wad of hot spunk deep into her throbbing pussy. She nearly smothered me in her cleavage, but I wasn't about to complain. It had been so long since I had experienced a real woman like Maggie—far too long.

Maggie and her second husband had gone sailing one evening, and the next morning her husband had returned to the dock alone. He claimed that Maggie must have fallen overboard in the darkness. The police were unable to prove any wrongdoing, so Maggie's life insurance policy would pay her new husband a healthy million-and-a-half dollars when she was declared legally dead seven years after that fateful night.

In the meantime, he'd gone on with his life, spending a good bit of money on new hair-plugs, and lately he had been seen around town accompanied by a statuesque brunette with gravity-defying hooters and an I.Q. that matched her bra size.

When I awoke the next morning—alone with a brain-numbing hangover in a bedroom that smelled of stale sex—I decided to pay Maggie's second husband a visit. I took a hot shower to wash the tequila from my brain and the sexual effluent from my crotch, washed down half a dozen painkillers with a beer, and then dressed in my only clean clothes—a black T-shirt, tight-fitting jeans and black hiking boots. I would have worn boxers and socks, too, but I couldn't find any that didn't reek from sweat.

I found Stanford Emerson sitting behind a desk at the bank where he worked as senior loan officer, denying home loans to average Joe's with barely a hiccup in their credit ratings. Word had it that he was in line for a vice presidency despite the I.R.S. problems in his past.

Stanford pushed his chair back and stood the moment he saw me standing in his doorway. "What the hell do you want?"

"You took something from me," I said. "I aim to get it back."

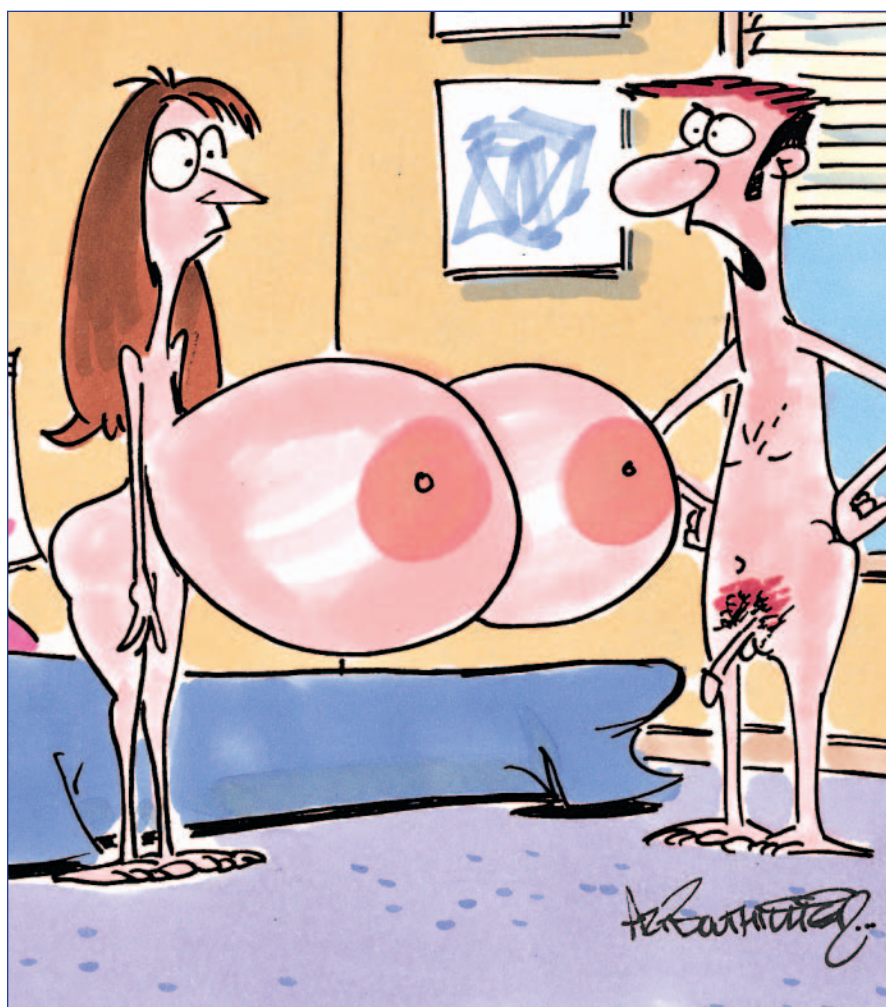

"She's dead," Stanford said. "And she's been dead a long time. There's nothing you can do about it now."

A sweet, little slip of a blonde stepped up behind me and asked, "Is there a problem, Mr. Emerson? Shall I call security?"

"There's no problem," Stanford told her. Then he looked at me. "Is there?"

"Not today," I said. "But, there will be one day. I guarantee it."

SHEREE SWEET

You tell us. Which *Voluptuous*-girl has better hangers than Sheree?

We're trying to think of another model with hangers quite like these. Autumn, perhaps, and she might be the closest competition Sheree Sweet has in the, "#1 Hangers Of All-Time," department. Sheree has legions of loyal fans who feel it isn't even *that* close. You know what? Seeing Sheree hanging-out in *Voluptuous* once again, her supporters may be right.

A two-timer in *Voluptuous Xtra*, the only thing that amazes us about Sheree, aside from her tits, is her monster clit. Yeah, it's all holed up and hibernating this month, but for those of you guys who have the Sept. '05 *Voluptuous*, turn to the *Xtra* section. That sucker sticks out so much, somebody oughta call Guinness. You guys are running on over to your *Voluptuous* library, aren't you? We thought so!

BARE FACTS

SHEREE SWEET

Age: 23 Birthday: September 27, 1982 Height: 5'11"

Weight: 165 lbs. Measurements: 46-30-38 Bra Size: 38FF

Lives: Chicago, Illinois Occupation: Bartender

Favorite Sexual Position: "On top, of course. I get to grind my big, giant clit against my man and smother him with my boobs as they hang above him."

Previous *Voluptuous* appearances: Sept. '05 (XXX in *Voluptuous Xtra*), April '05, Jan. '05 (XXX in *Voluptuous Xtra*), Nov. '04

Did you guys see all of those maniacs celebrating the White Sox's World Series' victory? Break out the Tivo and start looking for Sheree. She's a South Side bartender who was right in the middle of the party-ing. "I used to tell everybody that being in *Voluptuous* was the highlight of my adult life. Sorry, boys, that's changed," says Sheree, a die-hard White Sox fan. Hey, that's the type of gal Sheree is. No mimosa's and French food for this lady. Give her a brat, beer and a hard cock, and she's a happy girl! Plus, if you love tits, and what heterosexual man doesn't, you'll be happy to know that Sheree's all-time favorite fucking routine is to ride on top while she mashes her soft, heavy hangers against the side of her man's head. *Sweet!*

FIONA STEELS

What can we say about this busty British babe except, she makes us hard!

And, that might be the greatest compliment of all. We swear, every time we see Fiona in *Voluptuous*, and this is her seventh appearance, it's the same old thing—great tits and a *Voluptuously* perfect body. Her consistency is as amazing as her body, which hasn't gotten sloppy at all. Yeah, sad as it is, that kind of thing tends to happen to chicks as they get older, but not to Fiona. She's still the picture-perfect example of what *All Stacked! All Natural!* is all about. What's her secret? According to Fiona, the magic elixir of youthful vitality is...spunk!

BARE FACTS

FIONA STEELS

Age: 27 Birthday: March 14, 1978 Height: 5'7"

Weight: 146 lbs. Measurements: 43-27-38

Bra Size: 36E Lives: London, England

Previous *Voluptuous* appearances: Oct. '05, Feb. '04, Oct. '02, Aug. '01, April '01, Oct. '00

Yes, Fiona digs the jack-juice. Gobs and gobs of it. And, not just as a nightcap, either. "I like to rub it into my breasts. Nothing keeps your skin more luxuriant than a good, gooey spunk massage," says Fiona, who has taken doggie-style to a whole new level, so why not cum? Though, Fiona, it's not like you can buy jars of the love-lava at your local pharmacy. "I have a man who loves to fuck my tits and then cum all over them—once a night, every night. Even when he is sick, he does his duty. He says I have become a spunk addict. But, you know what? It's not like the bloke ever complains." Who would? However, if he ever does, Fiona, you just come on down here to Big-Tit Central. We'll make sure you get your fix, our pleasure!

My wife's second husband didn't seem bothered by my threat, and, as I saw myself out of the bank building, I couldn't think of a reason why he would be. I had nothing on Stanford Emerson, and he knew it.

Maggie was waiting in the car, and this time I knew she was no pink elephant. While my brain still pounded against the inside of my skull, I certainly wasn't drunk, and Maggie was no mirage.

I opened the door and slid into the driver's seat. "Now what?"

"Now, you dive," she said.

At first I thought she said "drive," so I started the car and returned to the shop to find that I'd missed my only client for the day. An insurance investigator I'd worked with a couple of times before had left a message on my answering machine. Tony needed a bid for some underwater search and recover work he wanted done to satisfy questions about a claim one of his company's clients had made.

"Take the job," my ex-wife said. She crossed the dive shop and leaned against the counter, resting her heavy breasts on the worn wood just as she'd done when we were married, and the business was flourishing. She wore faded, blue jeans that hugged

the curve of her hips and a white, cotton T-shirt stretched so tightly across her full breasts that the threads screamed for mercy. My cock twitched in my pants.

While it was one thing to see my dead ex-wife when I was stone drunk, it was another thing entirely to see her when I was stone-cold sober. I dug through my desk, looking for a bottle of something to clear my mind.

"Don't," Maggie said.

I stopped pawing through my desk drawers and looked at her. She'd peeled off the T-shirt while my attention had been diverted, and I couldn't take my eyes off of her twin flotation devices as she approached my desk.

"Remember the first time we did it here?" she asked. "The night before you opened for business, we did it on top of your desk."

I remembered all too well. Hell, I'd never forgotten.

She stopped on the far side of my desk and leaned forward, pressing her palms flat against the worn wood. Her heavy, full breasts hung between her arms, swaying forward and back like flesh pendulums.

By then my cock stood as tall as a sailboat mast, and it strained against the restrictive material of my once loose jeans. I stood to adjust my package, but Maggie wouldn't let me. She reached across the desk and grabbed my belt buckle.

I didn't resist when she unbuckled my belt and unfastened my fly, and I moaned under my breath when she reached inside and wrapped her slim fingers around my throbbing cock. It throbbed in her hand.

Maggie looked up into my eyes. "You do remember, don't you?"

She released her grip on my cock and walked around the desk. After she grabbed the waistband of my pants and pulled them to my shins, she pushed me back into my chair. Then she dropped to her knees and flopped her heavy breasts into my lap. She pushed them together, surrounding my cock with her tit-flesh. Then she massaged her breasts so that one moved up one side of my cock while the other moved down. Soon I started thrusting my hips upward, fucking her tit-tunnel.

I took her head in my hands, threading my fingers through her

**VOLUPTUOUS
READERS'
DIRTY
CONFESSIONS!**

You know, sometimes we read true-life confessions from "readers," and we just know they're bullshit from professional writers just trying to pay the light bill. Sorry, guys, but that's not how it works here. We prefer the two confessions we have this month. They reek of realism, and that's what the X-Rated Files are all about. That and rewarding readers with a hundred bucks for sharing their adventures with their boob-brethren.

Anybody else want to make a C-note the *hard* way? Send in your true-life confessions to: The X-Rated Files, 1629 N.W. 84 Ave., Miami, FL 33126.

SEX LESSONS

Last year, my law firm hired a new paralegal, Lori, who had at one time been one of my wife's students when my wife taught at a local high school.

Lori had been to our home several times while she was in high school because she was the president of a girl's service club that my wife sponsored. Now, she had graduated from college and was a paralegal.

In high school, Lori was a tall girl, about 5'10" and 140 pounds, with long, dark brown hair and a beautiful set of large breasts that looked great in a sheer T-shirt or jersey.

Now, she is an adult woman of 39 with even larger breasts on a 175 pound (or about) frame. The current Lori is well-proportioned, and she looks like she could be a plus-size model.

As luck would have it, my paralegal

resigned to start a family, so Lori was assigned to me. We were both happy with the arrangement and over the first few months we became very close.

One day, we were working late to complete some research, and Lori asked if I would like a cup of coffee when we were done. I said, "yes," and she soon returned with coffee for both of us which we drank sitting on the couch in my office. We talked about our

MARKETA

**Are you ready for a busty adventure?
This horny Czech-mate sure is!**

What has Marketa not done since her debut about three years ago? She's been in *Voluptuous* several times, with and without a fat, porno cock deep in her twat, has done anal, lots of best-selling porno flicks, threesomes, and now here she is posing on a rooftop in Spain. Well, Marketa hasn't gone on the space shuttle, yet, but we won't hold that against her. After all, the girl shaved her pubes in the "V"-sign. Now, that's what we call dedication.

Now, for those of you guys who want to see Marketa in some XXX hardcore, you all have some choices to make. *Marketa's Busty Adventures*, *Hard SCORE #1* and *Busty Euro Maids* are her three hottest videos, and each is an experience unto itself. Our editor is a big fan of *Hard SCORE #1* because of Marketa's awesome tit-fucking. Anybody who has seen that DVD knows, Marketa treats cleavage-pumping like an art form. However, *Maids* does have a hot-tub threesome, Iva ass fucking, Veronika, Ines Cudna—an awesome cast with Marketa right in the mix. As for *Adventures*, hell, old B.A. pounded his pud so much watching that hardcore, he used up all his sick days for the next two-and-a-half years. But, enough of our editor's whacking preferences, you guys can decide for yourself. Go to eBoob-Store.com and check out some of those free trailers. Worst case scenario, you get some free stroke-stuff. Best case scenario, Marketa gets you off every night for the rest of your life. Yeah, that sounds pretty damned good to us, too!

Marketa got her love-fur trimmed to form the greatest single letter ever created over a year ago, right before her *Busty Euro Maids* video fuck-fest. Since then, the sexy Czech has loved the reaction from guys so much, she has kept the design. As Marketa told us, the guys who are lucky enough to bed down with her take one look at her gorgeous demi-bush, then break out their Verizon cell phones and give her their own "V"-sign. She said they all get goofy looks on their faces, and she figures it must be a boner-head guy-thing to show her that they have something in common. Marketa's reaction? She thinks it's adorable, but Marketa can't help but whip a *Voluptuous* out of her bedside table and show them that, true, Verizon's network may be bigger (in numbers), but it's got nothing on our front-chick.

DUSTY ROSE

Here's a *Voluptuous* battle cry we can all rally around... "Everyone should jerk-off to my wife!"

The only thing better than a beautiful, curvy, hot-ass woman, is a beautiful, curvy, hot-ass woman who belongs to one of our boob-brethren who doesn't mind sharing his woman with all of us. Yep, welcome to the greatest boys club on earth. And, a very special salutation goes out to Mr. Rose, a long-time reader who sent us photos of his wife. We took one look, printed out the pictures, went to the bathroom, then sent Mr. Rose an e-mail asking if we could take his wife's pictures. He replied with a short note that read... "Everyone should jerk-off to my wife!" Been there, done that, now it's your turn!

A woman with long brown hair is performing a full-body backbend in a sunlit room with large windows. She is wearing silver high-heeled sandals and has her hands touching the floor. Her back is to the camera, and her head is tucked between her legs. Her buttocks are prominently displayed at the top of the frame, and her legs are spread wide. Her face is visible through the opening of her legs, looking directly at the camera with a slight smile. A small tattoo is visible on her left calf.

The story of one man giving up his woman so all of us can get our jollies is, well, the second greatest story ever told, though many V-men would argue that it's easily numero uno. What does Dusty think of all this? "I love to read, watch and fuck to porn, so what was I going to do, turn you guys down?" She also likes spending Saturday afternoons watching college football (which is pretty cool) and her evenings watching those animal shows (nobody's perfect). Dusty also cooks (well), cleans and is a devoted wife. *And* she has really big tits, so, what the hell, Dusty, you can watch all the animal shows your busty heart desires.

lives, and then, Lori dropped a bomb by telling me that she would be 40 soon, and she was still a virgin with little prospect of being engaged, let alone married. As she spoke, she removed her suit jacket. She was wearing a low-cut top that exposed a large amount of cleavage with jugs like melons covered by the rest of the top.

I told her of my problem that related to the health of my wife. It had been since late 1992 since I had made love to my wife, or any woman for that matter. Lori suggested that we help solve each other's problems by having sex together. She would not be the last 40-year-old virgin, and I could have sex again and as often as I wished to.

I accepted her offer, and we made out for a while to seal the deal. As I kissed her neck and throat and then down to her cleavage, I knew that it was the right thing, my ensuing infidelity notwithstanding. We made plans to spend the next weekend together at a hotel suite that the law firm reserved for out of town clients. My wife's sister would be visiting her, so a weekend conference would be great cover for us.

Lori and I took what we would need to work with us, and we both left separately and met at the Hilton. We ordered dinner from room service, then Lori changed into a sheer, white negligee. It really looked great on her and showed off her 38F boobs to her best advantage. She was a little shy about being naked in front of me due to her size, so I took a copy of *Voluptuous* from my briefcase and showed it to her. She saw women who were much larger than she was, naked and looking sexy. After about 10 minutes of French-kissing, Lori took off the gown and looked really sexy lying there naked on the bed as she reached for my hand.

The photos in *Voluptuous* taught Lori a lot about sex, and she copied many of the poses she saw in the magazine, like kissing her own nipples and areolae, as well as spreading her vaginal lips with her fingers. She also learned about some of the different positions for having sex from looking at the *Voluptuous*

LINSEYSWORLD.COM

Xtra, so I guess I owe you all a lot more than my annual subscription fee.

Back to Lori.

She asked me to be gentle since she was a virgin, so I was. First, I kissed and licked her nipples and areolae as I fondled her big boobs, causing her to moan softly. Then, I moved down and spread her thighs and gave her oral sex until she had an incredibly powerful climax and started to beg me to "put it in" her. She already knew that I had had a vasectomy, so the word "condom" didn't come up, and neither one of us was worried about any sexually transmitted diseases.

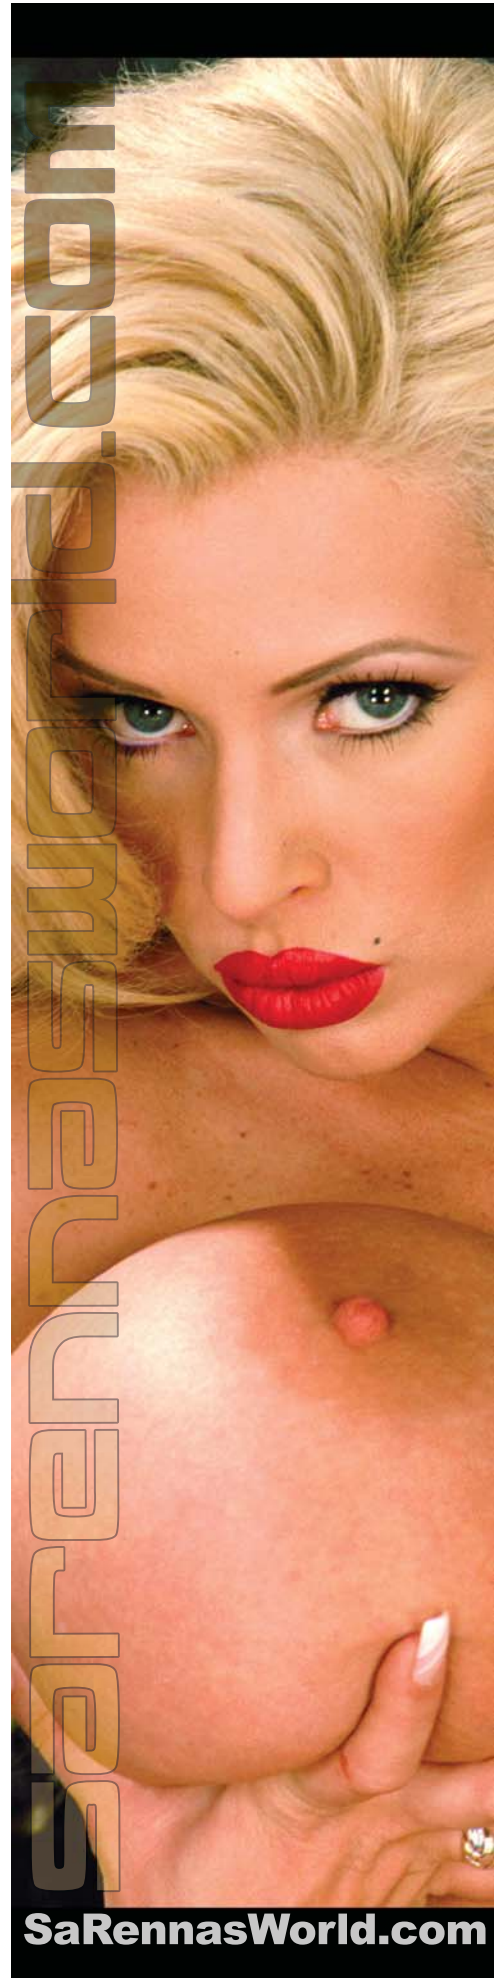

When I penetrated her vagina, I found a truly tight, virgin pussy that was a size smaller than my thick penis. I stroked her very gently and slowly at first. Then, when she was ready and called for me to "go faster and deeper," I stroked her faster until I was pumping her at full speed, and not to badly I might add for a man in his mid-50's.

Lori started making a sound that sounded a lot like she was crying, but one look at her face told me that she wasn't in pain. Lori was in ecstasy, and she climaxed not once, but three times before I finally came, filling her virgin pussy with my sperm.

Then we both collapsed on the bed. As I held her in my arms and French-kissed her, Lori put her hand on my penis and began to stroke it with her fingers. Then, she kissed the head. She asked me what she should do in order to put it in her mouth like the women she saw in *Voluptuous Xtra*. I told her to kiss and lick the head, then put the head in her mouth a little at a time and French-kiss it, then to roll her tongue around the shaft. As she did as I told her, it went deeper into her mouth and quickly became fully erect again. Lori kissed the head, then slid up to me and French-kissed my mouth.

She said, "When can we do it again?"

I rolled her over on her hands and knees and kissed her pussy from behind, then slid my erect penis into her tight love-tunnel and started to stroke her slowly until she was ready

for me to pump her faster. I pumped until she climaxed twice, then as she had her third orgasm, I exploded inside her. When I was finished, neither of us could move. We were frozen there, Lori on her hands and knees with me on her back, fondling her beautiful boobs.

Lori said that she loved me and how much she enjoyed having sex with me and expressed a desire to make love with me as often as possible that weekend. I told her that I had enjoyed our lovemaking, but now it felt a little odd to have sex with her since she was once a student of my wife. Lori told me that she and quite a few of the girls in her high school club had discussed how much they wanted to have sex with me when they were all in high school, and how many of them would now envy her for being the one who finally had me. Lori said that they would all find it hard to believe that she had lost her virginity at age 39 and that the "fat girl" was the one who had made love to me when they were all much better looking and sexier with their thinner bodies and perky boobs.

Any reservations that I had about having an affair with Lori quickly disappeared, and I told Lori that I found full-bodied women with big, juicy boobs to be very sexy and that I enjoyed making love to her and that I looked forward to doing so all weekend and on future weekends.

That was the first of many "legal conferences" and "out-of-town depositions" that we attended together so we could make love.

Right now, Lori and I are spending the weekend at the beach. We just returned from a walk, and I am sitting in a recliner writing this on a legal pad. Lori is lying on a love seat wearing very short running shorts and a white, industrial-strength tube top that is straining at the pressure of her mammoth mammaries. The fabric of the tube top is thin enough that when it gets damp, Lori's big, erect nipples almost punch through it, making me want to play with them.

Now, she is taking off the tube top and is replacing it with my red, mesh football jersey. She has suggested that I join her on the love seat so I can fondle her boobs and kiss her large, cherry nipples. She will soon remove her shorts and panties so that I can slide my man-meat into her love-tunnel and

VOLUPTUOUS FLASHBACK

Twelve years ago there were a lot of good ones, and then there was Lisa Miller.

Achtung, boob-men! Stand at attention because Lisa Miller is in the house! She was on our third cover (Fall '94), and out of all the models we have ever featured in *Voluptuous*, this German super-natural has reserved a soft spot in our hearts and a hard one a bit lower. She was with us during our infancy. And, as we reminisce over the past 12 years and gaze with wonder and awe at classic photos of Lisa Miller, we *Voluptuous* old-timers can't help but feel a pang of longing for days long gone and too often forgotten. That was an era when babes like Lisa became legends the moment they unhooked their bras.

One of the first *Voluptuous* amazons, Lisa stood 5'11" and carried roughly 160 lbs. of curves and EE/F-cup hooters. She is widely regarded as *one* of Germany's best super-naturals, though, ironically, the number one Wunderbabe (Chloe Vevrier) made her *Voluptuous* debut in the same issue Lisa did—Fall '94. Back then we wrote, "Lisa Miller has the raw cleavage and breast power to go tit-to-tit with, not only Chloe, but any model in the world!" Trust us, we weren't exactly going out on a limb. That no-brainer statement was realized a few years later when Lisa spanked the world in the *Voluptuous* Big-Breast Challenge, beating some of the world's best super-naturals, including Chloe, to reach the finals and *Voluptuous* immortality.

Where is Lisa Miller today? Last we heard she was still living in Bonn working at the same pharmaceutical company she was working at when Lisa found us. Yes, though we'd love to take credit for discovering this goddess, it was Lisa who answered a "Figure Model" ad to make some extra money to help support her family (parents, brother and sisters). That was what Lisa Miller was all about. Though she was scared to death of posing nude when she first walked into our London studio, Lisa took one for her team and made our's incredibly happy. Don't worry, we didn't pressure Lisa into doing a single thing she didn't want to do. In fact, she always used to thank us for boosting her self-esteem. We would always tell her the same thing..."Don't thank us, thank our readers." That would always make Lisa smile—that thousands of guys worldwide thought she was someone special. And then she would thank us some more. That's one thing we remember most about Lisa. She was always thanking us and sending us gifts. Yet, as we think back, we don't remember ever thanking Lisa for posing. Like a lot of guys, we took a good one for granted. So, thank you, Lisa Miller, for a whole lot more than just your mammaries.

pump her until we both climax and collapse on the king-sized bed.

BEST HAIRCUT EVER!

Today was a great day.

My Holiday '05 *Voluptuous* arrived in the mail, and I got a haircut.

I know, that doesn't sound like the most erotic thing in the world, though *Voluptuous* was incredible (great girls this month!). But, oh my freakin' gawd, I had to write in and tell you guys.

Normally I go to SuperCuts, but there was a long wait, so I went to the Hair Cuttery instead. When I got there, I waited about five minutes until they called my name. Some guy walked up, and I said, "I'm going to go smoke a cigarette." I'm not a homophobe—well, maybe I am. I just don't like guys running their hands through my hair.

When I got back, they called my name again, and this vision walked over. She was about 5'4" and I don't know how many pounds, but her tits were monstrous. She had dyed light-brown hair, a pretty face and she had an accent (which later turned out to be Brazilian) that was so sexy.

We went to wash my hair and here's where it starts to get interesting. Not only did she have great fingers that really worked my head good, but her tits were mashed against the back and sides of my head the entire time. After she rinsed the shampoo out of my hair, I looked up and said, "Doesn't that bottle say 'lather, rinse, repeat?'"

She leaned forward, mashing her boobs around my head some more, smiled down at me and said, "Would you like me to do it again?"

Humbly, I replied, "It's the best part of the whole haircut. Pretty please."

She smiled and massaged my scalp twice as long she did earlier, and every time she would rub the lather in, she would press those spongy, big, overflowing tits into the back of my head and around my cheeks to the point where I practically could stick my tongue out and touch them.

It was the greatest shampoo of my life. When she was finished rinsing, I got up and turned to thank her, and I almost fainted. She had on this pink, cotton shirt, and it was all wet and very see-through from where her tits were rubbing against my head. Her bra was white lace, her areolae were the size of my hand, and her dugs were as thick around as my thumb, and they were out there—*really* out there, if you know what I mean. And she had those pebbly love bumps on her areolae that drive me absolutely insane with lust.

She had to know I was looking at her tits, because not once for about 10 seconds did I make eye contact. When I finally did, she was smiling bashfully (if you can believe that) and holding out her hand to lead me to the chair. It was almost like she was embarrassed that her tits were so big.

I went to the chair and the haircut was just like the shampoo. Her tits were so big that she didn't even have to get close to me, and they were pressed against my shoulder, chest, arm and all around my head with ample tit-flesh spreading out from the point of contact. Her tits were so big and spongy, they were like huge pillows. And they were all over me during the haircut, and her nipples were hard the entire time. I could feel them digging into me whenever they were pressed against me.

I swear, I was dying. My dick was so hard under that robe they give you, it was all I could do not to jerk-off.

But, you want to know the coolest thing? She was so nice—sweet, polite, unsure of whether she was doing a good job and always wanting to please. She was perfect in every sense, and she wasn't wearing a ring. Unfortunately, I am wearing two. One for my wedding and one for my 10-year anniversary.

Now, I know a lot of guys would tell how they took this *Voluptuous* beauty home and fucked the daylight out of her and her tits, but I gotta be honest with you. I'm a pussy. I wouldn't even know how to have an affair.

I'm such a lame-ass, I didn't even get her name. But, I did get a great haircut! Thanks for listening. I had to tell someone, and I couldn't exactly tell my wife. This is a guy thing. She wouldn't understand.—M.T., Denver, Colorado

ANNA SONG

From Russia With A Whole Lot To Love!

First, there was Marilyn Sakova, she of the tiny waist, monstrous boobs and unlimited potential. Now, here comes another young Russian whose ceiling probably isn't as high as Marilyn's (whose is?), but, damn, is this girl hot, or what?

Anna is her name, and she's a St. Petersburg student. Her waist is miniscule, her boobs are big, and her body is unscathed by porno cock. Personality-wise,

Anna Song is so sweet, most men who meet her start singing old love tunes by David Cassidy when he was with The Partridge Family. Count us as part of that group because, after seeing and talking to Anna, we think we love her, too!

BARE FACTS

ANNA SONG

Age: 18 Birthday: June 7, 1987 Height: 5'7"

Weight: 122 lbs. Measurements: 40-24-36

Bra Size: 32E Occupation: University student

Lives: St. Petersburg, Russia

Suffice it to say, Anna ain't the bashful type. She has already appeared in the March '06 *SCORE* (still on newsstands if you hurry!), and though Anna says she has only been with one man in her life, something tells us she's been with more than one dildo. Anna wouldn't go near that one, getting all girly-giggly and bashful (go figure), though that look in her eyes tells us this isn't going to be the last time we see her plugging herself. Watch for more of Anna Song in *Voluptuous*, hopefully on video and, who knows, maybe one glorious, *Voluptuous* day Anna and country-woman Marilyn will make beautiful music together.

blond hair and just when I was about to come, I pulled her face toward my lap. She took the hint and captured the head of my cock in her mouth just as I fired a thick wad of hot spunk.

She swallowed and kept swallowing until my cock quit throbbing in her mouth.

Then she stood, stripped off the rest of her clothes and bent over my desk. With any other woman, I wouldn't have been ready to do it again so soon, but with Maggie I'd always been able to raise my mast a second time.

I took her from behind, shoving my cock deep into her tight pussy. Then I grabbed her hips, drew back and did it again. I fucked my ex-wife so hard my desk started to scoot across the floor, and I had to do a little hop-step to keep up because my pants were still wrapped around my ankles.

Maggie thrust her hips back against me as I pounded into her, and then she screamed out my name as her entire body became monetarily rigid.

I slammed into her one last time before I came, too, sending my second wad of hot spunk deep into her. I stood behind her as her spasming pussy milked my cock dry and didn't step away until I had shrunk to half-mast, and my cock slipped out of her slick slit.

"Tell him you'll take the job," Maggie said as she straightened up and turned around.

I looked questionably at her.

"The search and recovery job," she said. "Tell Tony you'll take it."

I pulled on my clothes and then lifted the telephone receiver. A few minutes later, all the details worked out with the insurance investigator, I hung up and turned to tell Maggie about the assignment.

She had disappeared.

Three days later, with the Albatross—a tattooed, whale of a man who had no other name any of us had ever heard—working the boat, I did an open ocean dive at coordinates the insurance investigator had given me. Sure enough, I found a yacht with a gaping hole midship lying on its side on the ocean floor.

I swam through the hole and made

my way through the yacht, surprised by the damage a direct lightning strike can do to even the best watercraft. Before long I was in the captain's quarters, my underwater lamp focused on the dial of a safe once hidden behind a false wall panel. I glanced at the numbers I'd written on the sleeve of my wetsuit and then spun the combination of the safe until I could open the door.

The moment I shined my lamp inside I realized the safe was as empty as my life had been without Maggie, and that the boat's owner had falsely claimed loses he didn't actually sustain. Nearly a million dollars worth of jewelry may have disappeared, but it certainly hadn't gone down with the yacht as its owner had claimed.

I turned and exited the way I had come, leaving the sunken yacht through the hole in its side and was surprised to find another diver waiting for me once I cleared the hole—a female diver, if her wetsuit's silhouette was any indication—and she motioned for me to follow her.

I checked my tanks, saw that I had plenty of air left and followed the other diver until she pointed to what looked like a 50-gallon fuel drum anchored to the ocean floor. She pointed to the drum and then pointed to the surface, telling me with her hand signals that she wanted me to take the drum to the surface.

I told her that wasn't possible. Then I told her I was low on air and had to surface immediately.

Immediately is a relative term when you dive, because you must rise slowly or risk getting the bends, and when I finally surfaced I found myself alone in the middle of the ocean. The other diver had disappeared and so had Albatross and the boat.

After double-checking the compass strapped to my wrist, I turned and waited until an ocean swell lifted me above the surrounding water. As I rode higher in the water, I spotted the boat farther away than I had expected.

Apparently, Albatross had been looking for me because I saw him wave. A few minutes later he navigated the boat near me, and I hoisted myself up the ladder. I radioed the Coast Guard, told them what I thought I had found and waited for their arrival nearly two hours later.

I told their divers what to look for

and waited on the surface until the Coast Guard cutter's crew lifted the drum to the surface. They lifted the lid far enough to see the remains of a woman's body inside, 18 nautical miles from where Stanford claimed Maggie had fallen overboard.

Albatross and I followed the Coast Guard cutter back to the marina, and we spent the rest of the day and most of the evening talking to the police about my discovery. I never mentioned the other diver because I knew the police wouldn't believe me. Instead, I told them I had become disoriented and had stumbled upon the drum by pure, dumb luck.

When the police finally released us, Albatross and I went our separate ways. I headed home, showered and fell into bed. Before I could even close my eyes, I felt Maggie's weight on the other side of the bed, and I turned to face her.

There were tears in her eyes.

"I never should have left you," she said, fighting unsuccessfully to hold back her tears.

I kissed her sorrow away, and then we made slow, sweet love until we fell asleep in each other's arms.

I never saw Maggie again, not even in my dreams. I did see her second husband on the evening news when the local police arrested him for Maggie's murder, and I was interviewed half a dozen times by reporters wanting to know how I—her first husband—had found the body.

Before the case ever made it to trial, Stanford Emerson accepted a plea bargain that put him behind bars for most of his natural life.

I received several thousand dollars from the insurance company that hired me to open the safe in the sunken yacht, so I hired Albatross full-time to help me with the business. I stopped drinking myself to sleep every night so I could concentrate on starting my life over.

I had never really lived. Even when I was married to Maggie, I didn't enjoy life or her, not like somebody who had everything should have enjoyed life. Now, I still miss her and think of her often. I'm not obsessed with Maggie or her memory, but sometimes, when I daydream, I do find myself longing to see her again, if not in this life, in the hereafter. 

INES CUDNA

Prepare to fall in love.

Yeah, how'd you like to come home from a hard day's work and find this lovely lady waiting for you in the kitchen? For those of you who have been living in a cave the past few years, this is Ines Cudna. She's often referred to as "The Polish Princess," though in our book, no prince ever had it so good. In one simple phrase, Ines is the stuff wet dreams are made of. Her all-natural, beautifully-shaped boobs measure in the EE-class range, her body is the stuff of old-master paintings and Ines has the face that could launch a thousand dicks. As for personality, with her physical package, most guys could give a shit. However, with Ines Cudna, her personality may, in fact, be her most alluring feature.

Strikingly beautiful, it's ironic that Ines Cudna's face is her own worst enemy. Guys get the impression that she is one of those "unattainable" women. You know who we're talking about—the high-falutin', holier-than-thou "bitch" who's only interested in the pretty-boy, rich fuck with the Ferrari. The ironic part is that Ines is exactly the opposite. She's as humble as she is beautiful, as reserved as she is busty and as attainable as she is sexy. But, we've already told you guys this in past issues. We just can't get over it. Normally, gals like Ines don't give a shit about us regular types. This gal will change your oil if you ask her to and give you *and* your car a good tune-up. How has this grease-monkey, mechanic-working-in-papa's-garage type changed since she started posing? Well, she doesn't look at the ground as much as she used to and will make eye-contact maybe a third of the time. And, she has become more of a girly-girl. She does her nails, has discovered make-up and cute clothes. Aside from that, she's still the same adorable teenager we fell in love with three years ago.

And, as this issue of *Voluptuous* comes to an end, we do have some good news for you. Ines has a couple of sexy videos on page 98 and one on page 68. And, for those of you already itching for more big tits and hot asses, we'll see ya in 30 or less with our annual awards spectacular in the May '06 *Voluptuous*.

JULIET

One of the horniest plumpers ever!

Greetings V-men! It's that time of the month again, when all of the glamour photography goes away, the cocks come out and the cum starts flying. This is the Horniest Show On Earth, oftentimes referred to as *Voluptuous Xtra*, and may we present Juliet. She's a plumper who we've seen in *Voluptuous* before (Sept. '05). In her debut, Juliet was all by her lonesome. But, this month, she's got cum-pany, and Juliet is hungry for tube-steak. We're giving it to her, complete with a big-time cum-chaser!

BARE FACTS

Video: *Voluptuous*
Xtra #11 (XXX-Rated,
available on VHS
and DVD in the
Video Club on page
98 of this issue)

A Las Vegas writer, Juliet couldn't have written a better script than the one you are seeing here—suck a big cock, get your pussy all lubed up, then get plowed to the hilt in every fuck position imaginable until you get white-washed with a spunk-splodge. Wait a sec...Is that a mag script or a DVD screenplay? Actually, it's both. This is a scene from *Voluptuous Xtra* #11, Juliet's XXX-Rated, hardcore, "fuck-me-until-I-practically-pass-out" video debut. And if these pictures have you spittin' hot lead, wait until you see *and* hear Juliet getting nailed on DVD. Yeah, she's a loud one. Turn to the Video Club on page 98 of the main mag, only put some tape on your windows. When Juliet's orgasmic screams crack your glass, it could get real messy!

JARMILA
Get your jack-naps ready, 'cause here's a 6'1" big 'un with an Amazonian appetite for man-meat!

You know, there's just something about a girl who will let you take pictures of her with a cock in her mouth that makes life worth living. Let's face it, most of us lead rather mundane lives. We get up when we have to, rather than when we want to, jerk-off in the shower, go to work, come home, jerk-off some more, then do it all over again the next day. Thankfully, *Voluptuous* arrives once every four weeks. The girls are smokin' hot, and all of a sudden masturbation becomes realization...of fantasies and fantasy-girls like Jarmila. We pounded our puds like crazy when she soloed in the Dec. '05 *Voluptuous*. Yet, many of us still had even more fantasies and we wondered what she would be like? Now, we know, and all of our lives just got a little bit better.

Jarmila may be more of a fantasy-girl than any of us ever imagined. At nearly 200 lbs., this Czech wild-woman is an imposing figure, but she can go both ways. If you're the Alpha-male type, she can give as good as she gets or be the most submissive and sexiest fuck-doll you've ever gotten your dick into. If you're more docile and laid back, watch out, because that's when Jarmila really cums to life. Calling her an "aggressive fuck," would be like calling Ines Cudna (p. 91 of *Voluptuous*) okay-looking. Get the picture? Something tells us you do.
